At St Andrews, expert care saves lives. Beyond care and treatment, it's often the small things that can help patients and families cope in their hardest moments.

With your support, we are raising £250,000 to make recovery more comfortable, calming and dignified.

Your vital support will provide:

Private, calming and comfortable spaces

In waiting and treatment areas

Overnight comfort

So loved ones can stay close

Confidence and reassurance

With clearer wayfinding

Support for children and families

Through sensory facilities and artwork

Comfort and ease on arrival

Care packs for patients and families

Advanced care and facilities

For today, and the future
